**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Comcast used to be my only internet option. They are expensive and their service is AWFUL. The day I saw Sonic drive down my street offering another option I literally cased down the van and asked if I could change ISP's. Sonic is a principled company. Comcast does not have the American people in mind. please don't allow these huge corporations to continue monopolizing the internet. And get rid of Pai.
